

Irish Tour

Sligo to the North, Galway to the west
Killarney down to Cork as well
They're really so impressed
It's up there with the best
They're under her magical spell

Fly-Dublin in, Dublin out
Parts of Ireland in between
One week in a rental car
Looking here, Looking there
Something they declare
Nowhere like old Ireland to be fair

As old as father time, stands the Emerald Isle
Every place reminds you of a song
People greet you with a smile
Invite you stay a while
And make you feel that's where you belong

Looking here, looking there
Something they declare
Nowhere like old Ireland to be fair

Seven days not enough, at their journey's end
Wish they could have stayed for more
From all your Irish friends
Please come back again
And have another Irish tour
